Gainville Learning Center -

LANGUAGE IMMERSION

Your kids know their family has roots that reach New Jersey from many faraway places. And although you're a first in many an ethnic district, you still want to watch your youngsters with some linguistic heritage. Gainville provides language immersion instruction and ESL comprehensive programs for children, youth and adults.

GAIN CONTACT, an umbrella lifestyle and learning company, opened **Gainville Learning Center** in Rutherford in October 2008.

At the heart of its operations lies **Gainville Cafe**, a hub of learning where cultures converge, ideas are shared, and knowledge is amplified. Gainville is committed to the belief that learning is inclusive, diverse, and a full service. For by Gainville, we extend the process of "learning" through its varied programs from both childhood into adulthood. These are delivered in designed age-appropriate learning environments that are conducive to learning. Group & individualized instruction, delivered in a classroom or in a home setting, are the mainstay.

Qualities services include private tutoring in all academic subjects, including test prep, SAT / PSAT / ACT / GRE / GED, professional development, coaching and **college placement services** for college-bound students.
